

I am appalled by Sinclair Broadcasting's decision to force their stations to air an anti-Kerry "documentary" immediately prior to the election. As a public broadcaster, Sinclair has a responsibility to serve the public interest. Sinclair's decision demonstrates utter disrespect for this responsibility, and illustrates the dangers of media consolidation.

I urge the FCC to take action to stop Sinclair's partisan and irresponsible plan. In addition, it seems clear that the FCC's license renewal process needs to involve greater scrutiny.

Thank you.
